Dear Ms.Gloade:

On behalf of the Boys' & Girls' Club of Brantford, please accept our thanks and appreciation for the extremely generous donation of \$500.00.

Some kids are fortunate enough to discover their own potential and talents. Others need a little more help; they need someone who believes in them. The Boys' & Girls' Club cares about children and youth. More than 375 of our youth members don't get lost in the system each year because 'they don't have the money for registration', 'there's nothing for them to do', 'he's not fast enough for the team', or 'she doesn't fit in'.

Our Club is a safe, friendly, supervised place where children and youth can be accepted and liked and do things of interest to them. We provide the direct day-to-day support that children and youth need to feel a sense of belonging and self-worth. We believe that 'every kid has potential'.

Once again please accept our thanks and appreciation.

Respectfully,

Cindy Taylor
